Wristbands

You can pick up your Exhibitor wristbands on Friday (assuming your booth balance has been paid in full). If you have staff that are only there for move-in on, they will simply get a hand stamp for access to the Expo Hall.

NOTE:

These wristbands are meant to identify you to other Exhibitors, sponsors and customers etc. but ***you must still wear your weekend wristbands*** for access to the building for each day. If you buy additional wristbands beyond what comes with your booth, they will not include additional badges. Wristbands are NOT transferable and can be picked up at the Dealer Registration table during move-in Friday morning. We thank you in advance for your cooperation.

Dealer Wristbands will be allocated as follows:

- 1 booth/table = 2 passes
- 2 booths/tables = 3 passes
- 3 booths/tables = 5 passes
- 4 booths/tables = 6 passes
- 5 booths/tables = 8 passes
- 6 booths/tables = 10 passes

Additional weekend dealer wristbands can be purchased onsite at the Dealer registration table on Friday and Saturday for \$20 - CASH ONLY with a maximum of 4 per dealer.

Electrical Power: We are offering standard 120V/150A power for all dealers. **The price is \$100 if ordered by July 3rd. If ordered on site, the price is \$150.**

INTERNET / ATM's

There will be dedicated wifi for dealers. More information will be sent closer to the Expo. There is an ATM located in the lobby by the food concession and they are on alert to keep it stocked with cash throughout the weekend!

HOTEL ROOMS

We have special Expo Group Rates with Delta Hotels Dartmouth and The Sutton Place Hotel Halifax – both of which are a quick drive away from the venue. Information and the group rate can be found on our website at: <https://sportcardexpohalifax.com/hotels/>

PARKING & MOVE-IN

Free parking on-site is available throughout the show for Dealers and collectors.

Dealer Move-in access will be through 3 door options:

1. Main Dealer move-in access is through the “**Dealer Door for Move-in**” - clearly marked on the floor plan below at the south end of the building. This is next to the main parking lot and is a large roll-up door. You cannot drive in, but you can unload your vehicle and move out of the way right away. This is the **ONLY** door through which you can use dollies/carts.

Additional Parking:

Additional parking is available on surrounding streets, as well as at Dartmouth High School (95 Victoria Road), located a short walk from the venue.

SECURITY

Security will be onsite throughout the show and the fields will be locked after show hours. We strongly recommend that you lock up or place expensive articles out of sight at night. Please know that show management / Sport Card Expo is not responsible for any losses or theft at your table or in the show room and is not liable for any theft and will be held harmless should such a theft occur. Please take your own security measures to ensure the safety of your product. Sport Card Expo does not provide insurance for such theft.

Do not expect to gain access to the Show hall at any time without your exhibitor wristband. Security staff will not allow you to enter the building without it: this is for the protection of everyone’s valuable property! If you see any suspicious behavior or suspect any shoplifting, please report directly to Security or to the Police – do not attempt to confront them on your own.
